Information for All Patients

You have been referred to this office for specialized care. Every effort will be made to ensure your visit is a comfortable one. Please assist us by providing the following information.

1. Please bring this form and any x-rays, if applicable.
2. Minors (under 18) must be accompanied by a parent or legal guardian.
3. Be prepared to provide your medical history information, along with a current list of medications, if applicable.
4. Please bring your insurance information.
5. A 24-hour notification is required, should you need to cancel your appointment.

Special Instructions for IV Sedation/General Anesthesia

1. In most instances, you will be seen for an initial consultation to review your health history and to decide on the most appropriate anesthesia and treatment plan.
2. Please do not eat, or drink (including water) for at least 6 hours prior to surgery, unless otherwise instructed by your doctor. Prescription medications may be taken with a small sip of water.
3. A responsible person must accompany you and remain in the office during your treatment. They must also be able to drive you home. Do not plan to drive for the remainder of the day.
4. Please wear a short-sleeved shirt and clothes that are loose and comfortable.
